

ROUND LAKE MARCHING PANTHERS

2018 COMMITMENT FORM

If you plan on participating in the Round Lake High School Marching Band, sign and return this form as soon as possible to the silver lockbox next to Mr. West's office along with the \$25 activity fee. (Checks can be made out to the Round Lake Fine Arts Boosters.) You may also give the form and fee to Mrs. Pulver-Settler or Mr. Stonehill. Both the form and the fee must be sealed in an envelope with the student's full name on it and labeled "2018 Marching Band Commitment Form and Fee." The form and activity fee are due by May 1. Students will not be allowed to participate if the form and activity fee are not turned in.

In May, we will email you information for the rest of the required marching band purchases. You can pay this in any combination of cash, check, PayPal, or Student Account funds. If you are using the Student Fine Arts Booster Account, please check with the boosters to make sure there is money in the student account to cover the fees. Payment plans can be set-up. All marching band fees must be paid off by October 1.

Once you sign this form, you are committed to participating in the band for the entire season, which includes every single rehearsal and performance. Make sure to check the preseason camp and regular season rehearsal schedule. If you have recurring conflicts with the schedule, speak with Mr. West before you make your decision. If you drop out of marching band for any reason, you will not be refunded the activity fee. Other fees may not be refunded if those purchases have already been made.
