

Sight Reading Factory Registration

Step 1: Go to sightreadingfactory.com/student OR download the Apple app (not available for Android)

If you registered last year:

- The student should log in to their existing account and go to SightReadingFactory.com/student.
- Enter the student code: **9n8fx5**
- Click "Extend Subscription".

If you are a new user:

- Using a web browser, Google "Sight Reading Factory"
- In the Google search, find "Enter Student Code"
- Enter the Student Code: **9n8fx5**
- Register
 - Make your username your first initial and your last name **OR** your school email address
 - Example: Jpulversettler **OR** rl123456@stu.rlas-116.org
 - Password - make it something you use often and will remember
- Enroll in your grades' class
- Done!

Make sure you log out if you are ever on a device that is not yours!
